### Lab 2

Daniel Anderson

Week 4, Class 2

# Data Viz in the wild

- Zach
- Tess

Chris and Vinita on deck

### Lab 1 review

# 

# Quick note on theming

As you get more particular, you might want finer-grained control

Until then, I recommend starting with ggthemeassist.

#### Quick note on groups

I've mentioned this previously but there seemed to be some confusion: You are welcome to work as a group on any/all labs **and** homework.

#### However

If you work as a group you must collaborate via GitHub

## Lab 2

The rest of the time is yours
